Section 7000 – Instructional Program

7490-R Chaperones

The Superintendent may direct that appropriate screening processes be implemented to assure that adult chaperones for field trips or excursions are free of criminal convictions for any offenses involving children. Such processes may include the requirement for a criminal background check, application forms that require disclosure of any criminal convictions for crimes involving children, gathering of personal references, and other methods to assure that adult chaperones are suitable and acceptable for accompanying children on field trips or excursions.

When serving as a chaperone for District field trips, the parent(s)/guardian(s), or other adult volunteers, including employees of the District, assigned to chaperone, shall not use tobacco products in the presence of students, nor shall they consume any alcoholic beverages nor use any illicit drug during the duration of their assignment as a chaperone, including during the hours following the end of the day's activities for students. Chaperones shall be given a copy of these rules, and sign a letter of understanding verifying they are aware of, and agree to, these District rules before being allowed to accompany students on any field trip or excursion.

Any chaperone found to have violated these rules shall not be used again as a chaperone for any District sponsored field trips or excursions and may be excluded from using District sponsored transportation for the remainder of the field trip or excursion and be responsible for their own transportation back home. Employees found to have violated these rules may be subject to disciplinary action.
