

BATTLE CREEK
OUTDOOR
EDUCATION CENTER
Clear Lake Camp Since 1933

ROVs—Remotely Operated Vehicles!

Hands-on experience with science and engineering for all ages.

1. Work in a team to **design and build** an ROV.
2. **Test** your ROV for neutral buoyancy.
3. **Drive** your ROV on a mission in the lake!

Students will be introduced to the history and uses of ROV's, given scientific background on buoyancy, and given a mission to complete.

In small groups, students build, test and drive an ROV! Off site classes available.

Time: 2 - 3 hours

Cost: \$16 per student

Minimum Fee \$250

To schedule a class,
call (269) 721-8161 or email
